An advertisement for FLORESCE jewelry. The image features two women with long brown hair. The woman on the left is seen from the back, with her hand resting on her neck. The woman on the right is shown in profile, looking down. Both are wearing matching jewelry: small four-leaf clover stud earrings, a ring with a four-leaf clover on the ring finger, and a necklace with a four-leaf clover pendant. The woman on the right is also wearing a light blue off-the-shoulder top. The background is a soft, light pink.
